Meeting called to order at 6:44 PM

This public hearing was held to propose a local law amending the local law on the Games of Chance.

Jeff Allen spoke on the subject saying that the NYS Division of Criminal Justice Services is requiring that all local laws regulating Games of Chance include authorization for background checks of individuals that would be involved in the Games of Chance for an authorized organization. This is what is being added to our local law.

No board or public discussion.

Motion by Kenneth Schaal and seconded by Steve Seitz to adjourn meeting at 6:46 PM.
