Old Business:

Junkyard proposed regulations to be carried over to the next meeting.

New Business

Bill Keppler asked to address the board members on a proposed project for Forrestel Farm Hunting Preserve. He discussed the possibility of creating a Sporting Clay Course on the property. They would gather at horse farm and then course would be on the Hunting preserve. He would run the course 12 months out of the year Wednesday thru Sunday hours 9-5. Would like to make it a destination for sporting clay enthusiasts and have tournaments. It would be an Outdoor Recreational Facility and would require a special use permit. Clubhouse would be in Hamlet, so Kurt will check with the town lawyer to confirm clarification if can be done there. He doesn't have a time-line for the project, he is waiting on answers from us to see if allowable.

Training – Kurt is still waiting for answers from the County. The town attorney thinks should still do 4 hours a year. There are courses offered online through NY State website.

Next meeting is January 5, 2021.

Respectively submitted,

Teresa Wilkins
